When you DONATE to ReStore you stand with us in saying:

No matter who we are or where we come from, we all deserve a decent place to live. We deserve to feel strength and stability day after day. We deserve to know we have power to take care of ourselves and build our own futures.

YOU make this work possible.

#COST OF HOME

1 in 6 U.S. households pay half or more of their income on housing.

Let’s do something about it.

Help Habitat make the cost of home something we can all afford.
